O R D E R:

The Transport Commissioner, A.P., Hyderabad has stated that the National Permit Holders of Goods Carriages pay a composite tax to all the States, in which the goods carriages are authorized to ply in the form of Demand Drafts. National Permit holders of the Goods Carriages of other States pay composite tax payable to Andhra Pradesh in the form of Demand Drafts in various RTO Offices of various States. Their Head Offices at the State/Union Territories collect all Demand Drafts and send them to respective States. This practice of sending Demand Drafts by post is resulting in abnormal delays, transit losses etc. Therefore, Clearing House Meeting mechanism has come into place. In this, Transport Officials of various States and Union Territories assemble at one place and exchange the Demand Drafts. This has resulted in quick realization of revenue due to the state.

2. The Transport Commissioner, A.P., Hyderabad has also stated that the Northern States clearing House meetings have taken place in different States on rotation every month, and he has informed that the Clearing House Meeting should take place in Andhra Pradesh also. The Clearing House Meeting for September will be held at Hyderabad in A.P. For this meeting, nearly 60 Transport Department officials are likely to attend. For them accommodation, meals and transportation are to be arranged.

3. The estimate of expenditure for the conduct of the said meeting as proposed by the Transport Commissioner is as follows:

Total	<u>Rs.1,25,000</u>

4. The Transport Commissioner has, therefore, requested to accord permission to incur the above said expenditure by drawing the same on Abstract Contingent Bill.
